SENATE BILL

No. 750

Introduced by Senator Soto

February 22, 2005

An act relating to state employees, *and declaring the urgency thereof, to take effect immediately.*

LEGISLATIVE COUNSEL'S DIGEST

SB 750, as amended, Soto. State employees: State Bargaining Unit 3.

Existing law provides that if any provision of a memorandum of understanding reached between the state employer and a recognized employee organization representing state civil service employees requires the expenditure of funds, those provisions of the memorandum of understanding shall not become effective unless approved by the Legislature in the annual Budget Act.

Existing law requires any side letter, appendix, or other addendum to a properly ratified memorandum of understanding that requires the expenditure of \$250,000 or more related to salary and benefits and that is not already contained in the original memorandum of understanding or the Budget Act, to be provided by the Department of Personnel Administration to the Joint Legislative Budget Committee. Existing law requires the Joint Legislative Budget Committee to

determine within 30 days after receiving the side letter, appendix, or other addendum if it presents substantial additions that are not reasonably within the parameters of the original memorandum of understanding and thereby requires legislative action to ratify the side letter, appendix, or other addendum.

This bill would approve provisions of an addendum to a memorandum of understanding entered into between the state employer and State Bargaining Unit 3, and would provide that those provisions that require the expenditure of funds shall not become effective unless funds for those provisions are specifically appropriated by the Legislature. The bill would provide that if funds for those provisions are not specifically appropriated by the Legislature, the state employer and the affected employee organization shall meet and confer to renegotiate the affected provisions.

This bill would further provide that the provisions of the addendum to the memorandum of understanding that require the expenditure of funds shall become effective even if those provisions are approved by the Legislature in legislation other than the annual Budget Act.

This bill would declare that it is to take effect immediately as an urgency statute.
